

SDI Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_43753
Title of the Manuscript:	Biomass accumulation and exogenous BAP spray in spinach
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Title must be changed. Title of the manuscript may be more useful as "Exogenous BAP spray applications against to abiotic stress related by root restrictions in spinach".	
Optional/General comments	It is very important to use seedlings in vegetable production. Root development in seedling affects production. Practical solutions are needed for factors limiting root development. Research is supplied alternative solution for this purpose. The study was found useful.
