SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Chapter Conclusion is very short and does not take into consideration the experiences of other studies – must be extended. The types and role of weed management must be explained in chapter introduction a bit more, putting the competence into focus.	
<u>Minor</u> REVISION comments	Figure 1. – is not clear. Please, use a three axis – version (to make difference between temperature and rainfall).	
<u>Optional/General</u> comments	The used statistical methods are appropriate.	

Note: Anonymous Reviewer
