SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	(1) Please look at the references again and follow the referencing style of the journal. (2) Why did you choose fixed-effects model? And What about random-effects model? Please explain why you choose the fixed-effects model. My strong recommendation is that you should do the Durbin-Wu-Hausman (Hausman) Test to check whether the fixed-effects model that you choose is appropriate or not. (3) I have found some spelling mistakes. Please, check your spelling again before submission.	(1) The references have been corrected in line with the referencing style of the journal. (2) Hausman test was conducted to know the appropriate procedure, the result has been provided in table 5.2. (3) Corrections have been made on spelling mistakes
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	This is only the suggestion for the title. The title should be changed to ' <i>Demographic Determinants of Savings in ECOWAS.</i> '	The title has been changed as suggested.
