SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Generally it's a nice story with some practical aspects. I have only one point to be improved - I do not understand why point 3.2.2 is entitled "theory of CSR"? I cannot find anything about CSR in it. All the body of the text should also be improved from the editorial and linguistic point of view.	
<u>Optional/General</u> comments
