SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed prwer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	It is commendable that Government agricultural initiative and efficiency issues in cassava production at South West Nigeria are being presented. Please provide the most important literature relevant to the study(who has done similar work). The related literature can be used for the validation of the results obtained based on the findings. Why does this study need to be given attention? Why author (s) did not raised research questions to guide the conduct of the study? Or/ propose hypotheses? Kindly report the reliability coefficient of the instrument(s) used for the study. Present the "Socio-economic characteristics of the respondents" in a tabular form. Kindly integrate supporting literature on the driven findings. Follow APA style of referencing. Authors cited must be appropriately referenced to avoid academic flaw.	
Minor REVISION comments	Follow a peer-refereed journal on the research format.	
Optional/General comments
