In particular: The authors names have been added (1, 2), and the proposed grammatical corrections have been applied accordingly (3, 4, 5, 6, 7). Thank you very much!
Optional/General comments	Apart from the above small corrections, a good attempt has been made by the author on Corporate Green CSR/CSE Management , which tried to introduce a new trading approach rather than method. With the help of additional future research and more statistically tested primitive 1 st level data, the proposed approach can become a well defined methodology and thereafter a well documented trading system.	Thank you!
