PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	It is a very large article as number of pages. The mathematical algorithm has lots of details. The conclusions appear to be interesting, but the application of them to a specific case would make them clearer. Pay attention to the format of the paper and about some translations.	Thanks for the comments. the conclusion and the number of pages have been worked on
