Title of the Manuscript:	Testing the Applicability of a Privatization Model on State Owned Enterprises in Namibia.
Type of the Article	Original article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The author(s) should specifically identify the objective of the study. Please give more facts to establish the problem of the study	Note that I have extended on the objective as well as providing information on the problem of the study. See highlighted inputs in the abstract.
Minor REVISION comments	The author(s) did not state the theory the study was anchored on and the relevance to the study. The author(s) should embellish the study with more empirical reviews. Finding should be discussed and relate to earlier findings.	I have included the underlying theories in support of the study as highlighted. I have also expanded on the empirical literature review as highlighted.
Optional/General comments
