Introduction Line 23 citation not good. Please which referencing style did you use? Universities like Wayne in the USA, Cancel the 'university' after Wayne When you talk about the world bank report in your work you have to correctly cite the document OECD kindly cite it well Leydesdorff, L. et al (2011) M. et al (2011) Tikly, L. et al (2011) Aikman, S. (2011), Deakin, M. et al (2011) Cite them all well M. et al (2011) stressed on the social intelligence of cities is not a complete sentence to earn a full stop & not used in formal works Contribution of MOOCs towards Economic and Social Inclusion Israel, M.J (2015) Stracke, C. et al (2017) Chakravorti B. et al (2017), Johnston, D. (2010) Abdoulleev, A. (2011) Gruen, A. (2013) More and more International Efforts at Budget Transparency and Gender Diversity (De Renzio, P. et al, 2011) (Washington Monthly, Introduction – A Different Kind of College Ranking) All the citations were bad and these are some of the examples The idea for the work is good but the points are scattered all over and honestly I could not follow through make out what you are saying or the end you want to reach	All citations have been changed.
