SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The study is suggested to update the literature, referring the recent studies relevant to corporate entrepreneurship. The study is suggested to expand the problem statement explaining the importance of studying corporate entrepreneurship and sustainability. The study is strongly advised to revise the methodology section. Refer the comments given in article. There is no enough literature support for the driven force (characteristics of manager, organization antecedents, and external environment) which supposed to be influenced to the corporate entrepreneurship in a large corporation. The study is suggested to include relevant literature review.	Updated as highlighted. Expanded as highlighted. Revised as highlighted under Research Methods. Included highlighted under Introduction and Review of Literature.
Minor REVISION comments	Refer comments given in the article.	Revised as highlighted.
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
