

**Editor's Comment:**

I herewith suggest that the manuscript can be resubmitted with the following corrections.

1. As a review paper, the authors must refer minimum 50 papers. So, kindly include 30 more recent works on PFC.
2. It is Suggested to refer, P.Elangovan and Nalin Kant Mohanty, "PI Controlled Active Front End Super Lift Converter with Ripple Free DC Link for Three Phase Induction Motor Drives", Journal of Power Electronics, Volume 16, No.1, pp.190-204, January, 2016.
3. The quality of all the figures must be improved.

The article is suitable for publication only after the above mentioned revision.

**Editor's Details:**

Dr. P. Elangovan  
Associate Professor, Department of EEE, Sreenivasa Institute of Technology and Management Studies,  
Chittoor, Andhra Pradesh, India
