

SDI Review Form 1.6

Journal Name:	Journal of Engineering Research and Reports
Manuscript Number:	Ms_JERR_46116
Title of the Manuscript:	Effect of tillage speed, depth, ballast weight and inflation pressure in the tires on the fuel consumption of the agricultural tractor: A review
Type of the Article	Review Paper

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript gives very interesting information on a very important topic such as the reduction of the tractors fuel consumption. Some technical aspects are still missing. Authors need to revise the manuscript in order to homogenize the font, the unit of measurement (e.g. l ha ⁻¹ instead of L/ha). A better description of the scope of the manuscript, the importance of the topic and what is missing in the bibliography is also needed in the introduction section. Inside the conclusion put more effort to highlight the results given by the manuscript trying to summarize the different parts of the study. Please revise the English of the manuscript.	Done
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
