

**Editor's Comment:**

You find herein some suggestions to authors to take them on count.

**Major revision required**

**line 52: remove sentence “unorthodox settings”**

**materiel and methods: amount of bark powder used ?**

**weight of residue or filtrate ?**

**duration of experiments?**

**Results and discussion: lines 135-136: write “...volume mammary..” instead of “...number of mammary glands....”**
