

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">British Journal of Pharmaceutical Research</a>
Manuscript Number:	<b>Ms_BJPR_25433</b>
Title of the Manuscript:	<b>Anti-hemorrhoid Evaluation of Selected Medicinal plants used in North-East Nigeria for the Treatment of Hemorrhoids (Pile)</b>
Type of Article	

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
I did not find any response to the comments and questions raised in the original evaluation form. All questions have been ignored and unanswered.	The has answered all the questions raised and sent in the first review. Like the choice of the plants were based on ethno medicinal use of the plants. Mr. Cletus is a taxonomist who is specialised in plant identification. Another question on the dosage was also answered. The LD50 of the plants has been determined by other researchers and referenced.
