PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Kindly mention the literature review for the development of questionnaire. It would be better to mention the research articles followed for the development of questionnaire. There are too many table that can be explained best by using figure.	The questionnaire was an in-home developed and piloted. The developing, sections and piloting of the questionnaire by the expert in fields is mentioned in the manuscript as highlighted and pasted with a comment R1.
<u>Optional/General</u> comments	Well written article could be accepted in journal	Many Thanks to the reviewer for his kind appreciation and acceptance of the article for publishing.
