

SDI Review Form 1.6

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_43592
Title of the Manuscript:	Effects of Guided Imagery on Anxiety and Physiological Indicators in In-patients with Acute Coronary Syndrome
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Some wording revisions are needed as per track change notes.</p> <p>The major revision that is needed is the early inclusion of clear descriptions of what "trait and state" anxiety means. This is a key concept(s) that relates to the key findings of this article but the differences are not well introduced, nor explained, as part of the theoretical framework of the study.</p>	
Minor REVISION comments		
Optional/General comments	Follow the track change notes carefully as you revise.
