SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Discussion : The initials of authors written in the sentences should be removed in lines 182, 190, 193, 197, 204, 205, 213, 216, 220, 221, 225, 227. When there are only 2 authors only in the reference, both names should be written in the text, while quoting that reference. When there are more than 2 authors in the reference the first author name without initials should be written followed by et al in the text, while quoting the reference. References : The number "1" written after the initials of first author in the references 2, 3, 5, 6, 7, 8, 10, 11, 12, 13, 19, 20 ... should be removed. The mistake done by the author was copy and paste from the pub med reference. The number "1" indicates the corresponding address of that author which is written in the abstract of the paper in pub med.	Initials of authors in the sentences removed Corrected Author numbering removed from reference section
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Many grammar corrections are to be done in the sentences where the verb is missing. Spelling of some words need correction. The author should go through each sentence in the manuscript carefully and do the above corrections in the revised paper. The pdf copy of the paper and reviewer comments should be sent to the author for answering the comments in the revised manuscript. The revised manuscript should be reviewed again before final acceptance of the paper.	Verb is added, grammar corrections made and spellings corrected Corrected
