

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Ophthalmology Research: An International Journal
Manuscript Number:	Ms_OR_22108
Title of the Manuscript:	Validity of Novel Microsoft excel Software for Calculating Surgically Induced Astigmatism
	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The author has not written the correct line number where the corrections are done. It was very difficult to find out where the corrections were done. In the text of the paper, there should not be any initials after the author's name. This should be corrected during the preparation of the proof of the paper.	All the corrections have been highlighted in yellow ink as instructed by the journal. - English has been corrected by English editing services - Citations with authors more than 6 have been written with first author et al. - Patient names have been removed from the tables. - Table 4 and 5 have been put before Discussion - Paragraphs have been put in correct place, results and methods have been properly analysed and written. - All fresh corrections will again be highlighted in yellow as per instructions from the journal. All names have been corrected.
