SDI Review Form 1.6

PART 1: Review Comments

| | Reviewer's comment | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--|--|--|
| <u>Compulsory</u> REVISION comments | Interesting case | |
| <u>Minor</u> REVISION comments | Fluorescing angiographic data is needed Fundus photo after resolution of CRVO is needed | Fluorescein angiography was not performed as the patient was on antidepressants and was not cooperative for any investigative interventions. Fundus photo was taken only at presentation Post resolution photo was not taken |
| <u>Optional/General</u> comments | Rare and interesting case | |
