SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	I consider this Ms to have interesting data that would be of interest if published. I suggest a minor revision: you should give information about side effects of the use of computer as last paragraph of discussion before conclusions i.e. However, it should be remembered that various bad social and psychological effects of internet use, like internet addiction and others, were previously reported. (8)	
<u>Minor</u> REVISION comments	No comments	
<u>Optional/General</u> comments	No comments
