PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Introduction, 2 nd line: "It is a common disorder in elderly in Upper Egypt". If it is known, please add numbers of incidence or prevalence. It is a mostly well-written, interesting manuscript worthy for publication after minor changes mentioned above and after English grammatical improvements.	I agreed with the worthy comments of the reviewer. I corrected the manuscript and highlighted the changes. I revised the grammar using www.grammarly.com and corrected the errors in the English grammar.
Minor REVISION comments		
Optional/General comments
