

**SDI Review Form 1.6**

|                          |  |
|--------------------------|--|
| Journal Name:            | <a href="#">Ophthalmology Research: An International Journal</a>                               |
| Manuscript Number:       | Ms_OR_38436  |
| Title of the Manuscript: | Computer Vision Syndrome Survey among the Medical Students in Sohag University Hospital, Egypt |
| Type of the Article      | Original Research Article  |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

|                                     | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| <b>Compulsory</b> REVISION comments | <p>The aim, methods and results are very clear and straight in this manuscript.</p> <p>It is not clear whether the Survey Questionnaire is an own-made one created for just the present study or an accepted, approved one.</p> <p>Only one comment: although the description and assessment of prevention possibilities of CVS was not an aim of this paper, I think, some short sentences about this would improve the paper further.</p> |   |
| <b>Minor</b> REVISION comments      |   |   |
| <b>Optional/General</b> comments    |   |   |

**Reviewer Details:**
