Subject: Re: Request for Editorial decision for manuscript number 2014_PSIJ_10666

Given that one referee gives 9 in the final version and the other referee has approved of the mathematics (only suggestion being to mention physical applications)

I recommend the authors just add one sentence like "We shall consider physical applications of our formalism in upcoming papers" somewhere in the conclusions.

Other than that the paper is ready for publication in the journal.

Editor's Details:

Yang-Hui He

Department of Mathematics, University of Oxford, UK

And

Reader in Mathematics, City University, London, UK
