

SDI Review Form 1.6

Journal Name:	Physical Science International Journal
Manuscript Number:	2014_PSIJ_14982
Title of the Manuscript:	A first order phase transition and self-organizing states in single-domain ferromagnet
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	This manuscript focused on "a self-organizing system" or "self-organizing states" (SOS) to study in magnetic phase transition of ferromagnetic material. It is very interesting and suitable for publish in Physical Science International Journal. However, some parts need to revise, which are listed below as follows: [1] Why do the authors consider the flat or spherical shapes in this study. Please explain in details. [2] The references are too old. Please revise some new references in the manuscript.	
<u>Optional/General</u> comments
