SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The curve fitting in fig 6-8 is very poor. Some improvement and analysis is necessary. The analysis and discussion of the results is very short and incomplete. The list of references and the review of the state of the art is very limited and should be improved. The grammar needs correction.	We agree with the reviewer and the corrections had been made.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
