

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Physical Science International Journal
Manuscript Number:	Ms_PSIJ_22850
Title of the Manuscript:	Electron Inertia Effects on the Gravitational instability Under the Influence of FLR Corrections and Suspended Particles
Type of Article	Original Research Articles

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>Authors have not incorporated all the suggestions given by reviewer in the revised version of the manuscript.</p> <ol style="list-style-type: none">1. In equation no. 1 left hand side of equ. 1 must be written in corrected manner.2. As indicated by authors, the FLR corrections components given by Robert and Taylor (1962) must be written in corrected manner.3. In equs. [10, 11, 12, 13 and 14] and through the manuscript the wave numbers k_x, k_z and k must be small.4. "Fig. 3. Shows the growth rate..... From the curved...." must be "From the curves...."5. "Fig. 4. Shows the growth rate..... From the curved...." must be "From the curves...."6. In section 4.2 "Thus the dispersion relation (14)....." must be "Thus the dispersion relation (14) reduces in the simplest form7. After equ. 23 statement is not correct "From equ (23) we find that"8. Line 325 what is meaning of "FLR correction time...."9. In reference [11] Journals name must be corrected10. In reference [20] Journals name must be corrected11. There are so many grammatical mistakes throughout the manuscript. <p>Authors must revise the manuscript as suggested by the reviewer and carefully check the manuscript for any grammatical error before submitting the revised version of manuscript.</p>	<p>Respected sir,</p> <p>Yes, we agree with the reviewer who in his earnestness and well wishing brought to our notice some little faults in the language and the format of the paper. We have consequently improved upon at as desired so that it is understood correctly by the readness. All the suggestions given by reviewer [1 – 11] of the manuscript is corrected by us.</p>
