**PART 1:**

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	Ms_PSIJ_25255
Title of the Manuscript:	Energy Management Optimizing in Energy Hub with Regard to Pollution and Storage Effects
Type of Article	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The quality of the English remains very bad and the text is incorrect. Besides, the authors should display clearly the differences between this article (Ms_PSIJ_25255) and the previous manuscript (Ms_PSIJ_24779) also submitted lately to Physical Science International Journal. One can guess the ideas and the contribution which are interesting but unfortunately very difficult for readership.	Thank you for your kindness. I recheck my paper again and resend for your journal.
