SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The document is well written an easy to follow. Authors should include more recent references.	<p>Addition at the end of Results and Discussion: "It can be expected that the proposed phenomenological approach in combination with fundamental ideas given in [14] and methods for discovering new species elaborated in [15] will help us to clear the above mentioned issue."</p> <p>Additions at References: 14.
