**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
Though in my previous comments I told that the mathematics of the paper is quite ok but the author is very careless at the time of revision. Manuscript consisting of many typos also he has not revised the paper as per instruction. So, I am sending back again the manuscript to revise carefully, as per previous comment.	I try to answer all questions.
