SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The paper is interesting and well written. The English is correct. I have a few minor comments	
<u>Minor</u> REVISION comments	lines 38-39 separate clearly the data on the two stars lines 51-52 what is presented line 55 - why are these two stars remarkable?	I agree with the reviewer's comments. I corrected all of the comments in the manuscript.
<u>Optional/General</u> comments	Why did you study precisely these two stars ?	The reasons for our interest in observations of these stars are the fast variations and observed recurring events in the atmospheres despite theirs non-stationary.
