SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	See the enclosure. The format is terrible and many terms should be defined for the reader. The author has done significant work, some of which cannot be checked during the review process. However, it would make the character of the paper improved with some more explanations and using Introduction, Discussion, Analysis, Results, Conclusions as the major topics.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
