

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	Ms_PSIJ_23262
Title of the Manuscript:	On Thermodynamic Peculiarities of the Absorption Heat Transformers
Type of Article	Short Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p><b>I hereby recommend the publication of this manuscript in Physical Science International Journal, Science Domain.</b></p> <p><b>Before online publication, the Page designer of Physical Science International Journal should further format the document. Some of the sentences are written with different fonts. The layout of the document should also be considered before final publication.</b></p>	

**Reviewer Details:**

Name:	Isaac L Animasaun
Department, University & Country	Department of Mathematical Sciences, Federal University of Technology, Ondo State, Nigeria
