

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	<b>Ms_PSIJ_25255</b>
Title of the Manuscript:	<b>Energy Management Optimizing in Energy Hub with Regard to Pollution and Storage Effects</b>
Type of Article	<b>Original Research Article</b>

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
I reject the paper because even with the improved version, the quality of the English remains very bad and the text is incorrect. Besides, the authors should display clearly the differences between this article (Ms_PSIJ_25255) and the previous manuscript (Ms_PSIJ_24779) also submitted lately to Physical Science International Journal. One can guess the ideas and the contribution which are interesting but unfortunately very difficult for readership.
