SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Introduction is not proper. Not even objectives mentioned. Why authors have chosen these compounds that is also not clear. Results from studies carried out not countable. As a whole language and presentation is very poor. Authors should work hard on it and build some data.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
