PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The manuscript is sufficiently robust and technically sound, contains relevant and novelty information. 2. The data are well controlled and robust. 3. The references cited are current and relevant. 4. Could be very important separate the 4. CONCLUSIONS AND DISCUSSION section in two different sections: 4. DISCUSSION and 5. CONCLUSIONS. 5. Graphics and images should be at a high resolution format 6. Review the grammar and syntax in the redaction. 	<p>4. I have organized the text into Discussion and Conclusion sections.</p> <p>5. The resolution of graphics and figures depends on the copy/paste tool used for transforming them into the word document. I have added a new word file, which contains figures 1, 2, 3, 4, 7 and 8 in the original MS format. Figures 5 and 6 contains additional information and therefore I have used my copy/paste tool and therefore the resolution is little bit lower.</p> <p>6. I have used proof reading services of native English speaking persons for checking grammar</p>
Minor REVISION comments		
Optional/General comments
