SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	<p>The paper is very good, except that it is very concise. Please insert few paragraphs that explain or introduce or give background to what follows in a form of list etc.</p> <p>Moreover, while certain symbols are obvious, they are not common knowledge. Please, make sure every symbol is defined.</p> <p>Finally the figures do not meet my standards. Please, with little effort improve them. For instance scales, line form, borders etc., are not good enough.</p>	
<u>Optional/General</u> comments
