SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The article provides some interesting insights for familiarization of some concepts related to cosmic evolution with the help of a proposed toy model. Such insights shall help furthering our knowledge in cosmology. However, some citations should added to support the author's assertions made in Para 1 under '1. Introduction' which reads "If one is willing gravitational object".	
Minor REVISION comments		
Optional/General comments
