SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments		
Minor REVISION comments	In 2.79, unit time must be deleted. 2.64 must be written more regularly.	
Optional/General comments	Manuscript is very long but I read it jolly. Paper is well designed ,very equipped and apprehensible in terms of complex analysis and numerical analysis. Especially, I admire section 2.3 and section 3. Results are very interesting. References are looking enough for study.
