SDI Review Form 1.6

PART 1: Review Comments

| | Reviewer's comment | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--|--|---|
| <u>Compulsory</u> REVISION comments | This manuscript is a solid research. It is scientifically relevant and interesting, and the results and conclusions are very sound. I only have two minor remarks as listed in the attached review report. | |
| <u>Minor</u> REVISION comments | 1. The background and an academic literature survey are needed in the Introduction section. 2. Though the study makes good contributions, the novelty of this study should still be described clearly. | |
| <u>Optional/General</u> comments | | |
