

SDI Review Form 1.6

Journal Name:	Physical Science International Journal
Manuscript Number:	Ms_PSIJ_37470
Title of the Manuscript:	Impact of Hospital Waste on the Physico-chemical Properties of Soil from Medical Waste Dumpsite in Oghara, Delta State Nigeria
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<ol style="list-style-type: none"> 1. Please provide source for Figure 1. 2. Author has done good effort for understanding the physico chemical analysis of soil. However, he fails to do indepth analysis. Also, this research need detail results and discussion. Along with site photos and experimental testing procedures. 3. Testing procedures and sampling procedures are not discussed in detail 4. Abstract and Conclusion should be very effective. 5. Lack of literatures 	<ul style="list-style-type: none"> ➤ Fig. 1 which is the map showing the sampling site has been referenced. ➤ Methods were not detailed. But was properly referenced, details of this methods are found in the journal or text books referenced. In same vain repeating those methods will increase the bulkiness of the manuscript. However some of this methods has been briefly described. ➤ The abstract and conclusion is very effective. ➤ Authors frown at this statement "Lack of literatures" Authors cannot cite literatures that does not exist.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
