## **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of 'lack of Novelty', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline)

# **PART 1:** Review Comments

|                                     | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| <u>Compulsory</u> REVISION comments | <ol> <li>Lines 56 to 64 appear to me as if you are already presenting the methodology and parts of results. You could work on this. Or use a sub-title</li> <li>Literature on previous studies in Tropical Region are not presented here</li> <li>Lines 113 to 126 could fit well in the introduction session</li> <li>The presentation of your Methodology, Results and Discussion is not orderly</li> <li>A good map of the area of study is desirable</li> </ol> |   |
| Minor REVISION comments             | Cite relevant citations where necessary   |   |
| Optional/General comments           |   |   |

## **Reviewer Details:**

| Name:                            | Kadiri Umar Afegbua |
|----------------------------------|---------------------|
| Department, University & Country | Nigeria             |
