SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Generally, the mathematics of the manuscript is ok. Nevertheless, the main problem of the manuscript is there is no proof for the most important theorems of the manuscript like theorem 1, theorem 5 and theorem 7. If they are done by the authors , they should be proved. Although the proof is very easy, it should be done.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
