

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	Ms_PSIJ_43610
Title of the Manuscript:	Solutions of Schrödinger and Klein-Gordon Equations with Hulthen plus Inversely Quadratic Exponential Mie-Type Potential
Type of Article:	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
In the revised form, all corrections about misspelling have been effected. The author explained why the case of non equal vector and scalar potentials could not considered. If it was considered, it would be better. Although this case has not been considered in this study, the manuscript is available in this form for publication.
