

**SDI Review Form 1.6**

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	Ms_PSIJ_45286
Title of the Manuscript:	Ad Hoc Error Correction vs. Removal of Error's root
Type of the Article	

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>Absent</b>	
<b>Minor</b> REVISION comments	Phrases such as 'symptoms of illness' or 'cure an illness' do not appear appropriate for a physics journal. The following text corrections can be done:  Page-2: Introduction, line-5 'This kind of activity ... symptoms of illness.' to be replaced by 'This kind of activity is similar to explaining contradiction.'  Page-2: Introduction, line-8 'This kind of activity ... cure an illness.' to be replaced by 'This kind of activity is similar to removing contradiction.'	The new phrases are:  1. This kind of activity resembles attempts of an accountant who adds an artificial line to his report in order to balance it.  2. This kind of activity resembles the work of an accountant who corrects erroneous lines that are included in his report.
<b>Optional/General</b> comments	The paper can be accepted.	

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	(If yes, Kindly please write down the ethical issues here in details)
